EDUCATIONAL BURSARIES 2010/11

The DEFLOG Foundation is inviting applications for a minimum of three Educational Bursaries for the academic year starting September 2010.

Aim

The aim of this bursary scheme is to increase the opportunity for soldiers and officers in the Royal Logistic Corps (RLC), either individually or in cohorts, to undertake logistics related qualifications that will be beneficial to both them and the RLC/Army.

Eligibility

All serving RLC soldiers and officers with a minimum of 4 years left to serve will have priority.

Duration and Scope of the Bursaries

Bursaries will normally be awarded to cover course fees for full and part time educational programmes of one or more year's duration. The foundation will also consider providing assistance with accommodation costs and these must be shown separately on any application.

Bursaries may be sought for the following logistics related educational programmes:

- Foundation, Full, Masters and MBA Degrees,
- Logistics related Diplomas and Certificates especially those accredited by the Chartered Institute of Logistics and Transport.
- Other bespoke Logistics courses

Bursaries are not a donation with nothing in return; the DEFLOG Foundation will expect updates on individual/group progress towards their given aim. The Foundation will also expect the activity, whether learning or other support to raise the profile of DEFLOG VQ Trust and its educational remit. Applicants must specify on the application how they intend to publicise the support they are requesting.

Selection

- Applicants will be required to complete the application form and gain the formal support and endorsement of the chain of command and Commanding Officer before submitting the form to HQ DRLC for consideration.
- On completion of the application form and endorsement from the chain of command, successful applicants will be selected by a board comprising DEFLOG Directors/Trustees and representatives of DRLC.
